Independent Auditor's Report

The Honorable Thomas W. Wolf
Secretary
Department of Revenue
Harrisburg, PA 17128

We have examined the accompanying statement of receipts and disbursements (Statement) of District Court 38-1-06, Montgomery County, Pennsylvania (District Court), for the period January 1, 2004 to December 31, 2005, pursuant to the requirements of Section 401(c) of *The Fiscal Code*, 72 P.S. § 401(c). This Statement is the responsibility of the District Court's management. Our responsibility is to express an opinion on this Statement based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States. An examination includes examining, on a test basis, evidence supporting the Statement and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion.

We are mandated by Section 401(c) of *The Fiscal Code* to audit the accounts of each district court to determine whether all moneys collected on behalf of the Commonwealth have been correctly assessed, reported and promptly remitted. *Government Auditing Standards* issued by the Comptroller General of the United States include attestation engagements as a separate type of audit. An attestation engagement performed pursuant to *Government Auditing Standards* involves additional standards that exceed the standards provided by the American Institute of Certified Public Accountants. Accordingly, this attestation engagement complies with both *Government Auditing Standards* and Section 401(c) of *The Fiscal Code*.

Independent Auditor's Report (Continued)

In our opinion, the Statement referred to above presents, in all material respects, the operations of the District Court as it pertains to receipts made on behalf of the Pennsylvania Department of Revenue and other state agencies for the period ended December 31, 2005, in conformity with the criteria set forth in Note 1.

In accordance with *Government Auditing Standards*, we are required to report findings of deficiencies in internal control, violations of provisions of contracts or grant agreements, and abuse that are material to the Statement and any fraud and illegal acts that are more than inconsequential that come to our attention during our examination. We are also required to obtain the views of management on those matters. We performed our examination to express an opinion on whether the Statement is presented in accordance with the criteria described above and not for the purpose of expressing an opinion on the internal control over the Statement or on compliance and other matters; accordingly, we express no such opinions. The results of our examination disclosed no matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the Pennsylvania Department of Revenue, the Administrative Office of Pennsylvania Courts, and the District Court and is not intended to be and should not be used by anyone other than these specified parties.

COMMENT
FOR THE PERIOD
JANUARY 1, 2004 TO DECEMBER 31, 2005

Comment - Compliance With Prior Audit Recommendations

During our prior audit, we made the following recommendations:

- That the office deposit all receipts at the end of each day as required by good internal accounting controls and the *Magisterial District Judge Automated Office Clerical Procedures Manual*.
- That the office ensure that monies are not dropped off after hours and on weekends in the mail slot in the door of the office. If monies are accepted after office hours, the court should install a locked, secured, drop-off box, which can only be accessed by authorized personnel. Additionally, the court should notify defendants that only checks will be accepted in the drop-off box.

During our current examination, we noted that the office complied with our recommendations.
