AUDITOR GENERAL**

The Honorable C. Daniel Hassell
Secretary
Pennsylvania Department of Revenue
Harrisburg, PA 17128

We have conducted a compliance audit of the Prothonotary, Crawford County, Pennsylvania (County Officer), for the period January 1, 2018 to December 31, 2021, pursuant to the requirements of Sections 401(b) and 401(d) of *The Fiscal Code*, 72 P.S. § 401(b) and § 401(d).

The objective of the audit was to determine whether all moneys collected on behalf of the Commonwealth have been correctly assessed, reported, and promptly remitted and to provide a report to the Department of Revenue to allow the Department of Revenue to state and settle the County Officer's account. Our audit was limited to areas related to the objective identified above and was not conducted, nor was it required to be, in accordance with Government Auditing Standards issued by the Comptroller General of the United States.

The County Officer is responsible for establishing and maintaining effective internal controls to provide reasonable assurance of compliance with state laws and regulations applicable to the collection of moneys on behalf of the Commonwealth, including whether they have been correctly assessed, reported, and promptly remitted. The County Officer is also responsible for complying with those laws and regulations. It is our responsibility to perform procedures to obtain sufficient, appropriate evidence to the extent necessary to satisfy the audit objective. We believe that our audit provides a reasonable basis for our conclusions.

Based on our audit procedures, we conclude that, for the period January 1, 2018 to December 31, 2021, the County Officer, in all significant respects, complied with state laws and regulations applicable to the collection of moneys on behalf of the Commonwealth, including whether they have been correctly assessed, reported, and promptly remitted.

This report includes a summary of the County Officer's receipts and disbursements of funds collected on behalf of the Commonwealth (summary). We obtained data representing the County Officer's receipts and disbursements from the Pennsylvania Department of Revenue and Administrative Office of the Pennsylvania Courts, which obtains data from each of the Commonwealth's prothonotary offices and used the data to create the summary in the format required by the Department of Revenue. We also evaluated the accuracy of the data as part of our audit to conclude on the County Officer's compliance with certain state laws and regulations as described in the previous paragraph. Any adjustments that we considered necessary based on our audit work are disclosed in the *Audit Adjustments* line of the summary; however, the scope of our audit does not include the issuance of an opinion on the accuracy of the amounts reported in the summary.

The purpose of this report is to determine whether all moneys collected on behalf of the Commonwealth have been correctly assessed, reported, and promptly remitted. This report is not suitable for any other purposes.

The contents of this report were discussed with the management of the County Officer. We appreciate the courtesy extended by the Prothonotary, Crawford County, to us during the course of our audit. If you have any questions, please feel free to contact the Bureau of County Audits at 717-787-1363.

SUMMARY OF PRIOR AUDIT RECOMMENDATIONS
FOR THE PERIOD
JANUARY 1, 2018 TO DECEMBER 31, 2021

Summary Of Prior Audit Recommendations

During our prior audit, we recommended that the office:

- Establish procedures to periodically generate monitoring reports that include the date, time, reason for changes, changes made, and who made the changes to the computer system. The County should routinely review these reports to determine that access was appropriate, and that data was not improperly altered. Additionally, the office should require computers to time out or sign off after a specified time, and employees be required to sign in with unique user IDs and confidential passwords, which are periodically changed, to provide the ability to isolate and track the employees who entered the data.

- Ensure that the computer system is programed to properly assess and remit JCS/ATJ fees to the Commonwealth. Furthermore, we recommend that the office remit the \$18,160 that is due the Commonwealth.

During our current audit, we noted that the office complied with our recommendations.
