HEREIN REFERRED TO AS:

LUXOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION

WESTMORELAND COUNTY

COMPLIANCE AUDIT REPORT

FOR THE PERIOD

JANUARY 1, 2007 TO DECEMBER 31, 2008

CONTENTS

Background.....	1
Letter From the Auditor General	3
Finding and Recommendation:	
Finding – Unauthorized Expenditures	5
Accompanying Expenditure Information	7
Report Distribution List	9

BACKGROUND

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, Act of June 11, 1968, (P.L. 149, No. 84), as amended, 53 P.S. § 8501 et seq. (commonly referred to as Act 84), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended 53 P.S. § 895.701 et seq. (commonly referred to as Act 205), are properly expended.

The Luxor Volunteer Firefighters' Relief Association is a charitable organization that was formed primarily to afford financial protection to volunteer firefighters and to encourage individuals to participate in volunteer fire service.

Act 84 governs the overall operation of the volunteer firefighters' relief association. The relief association's bylaws define the specific operational procedures by which the volunteer firefighters' relief association conducts business. To fulfill its primary purpose, Act 84 authorizes specific types of expenditures and prescribes appropriate volunteer firefighters' relief association investment options. Within the parameters established by Act 84, it is the responsibility of the volunteer firefighters' relief association to choose investments in a proper and prudent manner.

Volunteer firefighters' relief associations receive public tax monies, and the association officers therefore have a responsibility to the public to conduct the association's financial affairs in a businesslike manner and to maintain sufficient financial records to support the propriety of all association transactions. Volunteer firefighters' relief association officers are also responsible for ensuring that the association operates in accordance with applicable state laws, contracts, bylaws and administrative procedures.

Act 205 sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the volunteer firefighters' relief association of the fire service organization or fire service organizations, which is or are recognized as providing the service to the municipality. The Luxor Volunteer Firefighters' Relief Association was allocated state aid from the following municipality:

<u>Municipality</u>	<u>County</u>	<u>2007</u>	<u>2008</u>
Hempfield Township	Westmoreland	\$24,235	\$24,902

BACKGROUND (Continued)

The volunteer firefighters' relief association and the affiliated fire service organization are separate, legal entities. The Luxor Volunteer Firefighters' Relief Association is affiliated with the following fire service organization:

We have conducted a compliance audit of the Luxor Volunteer Firefighters' Relief Association pursuant to authority derived from Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and mandated by the Volunteer Firefighters' Relief Association Act, Act of June 11, 1968, (P.L. 149, No. 84), as amended, 53 P.S. § 8501 et seq. (commonly referred to as Act 84), for the period January 1, 2007 to December 31, 2008.

We conducted this compliance audit in accordance with *Government Auditing Standards* applicable to performance audits, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our audit results and conclusions based on our audit objective. We believe that the evidence obtained provides a reasonable basis for our audit results and conclusions based on our audit objective.

The objective of the audit was to determine if the volunteer firefighters' relief association received and expended state aid and accumulated relief funds in compliance with applicable state laws, contracts, bylaws and administrative procedures.

Our audit was limited to the areas related to the objective identified above.

Volunteer firefighters' relief association officers are responsible for establishing and maintaining effective internal controls to provide reasonable assurance that the Luxor Volunteer Firefighters' Relief Association's administration of state aid and accumulated funds complies with applicable state laws, contracts, bylaws and administrative procedures including the safeguarding of assets. In conducting our audit, we obtained an understanding of the volunteer firefighters' relief association's internal controls as they relate to the association's compliance with those requirements and that we considered to be significant within the context of the audit objective, and assessed whether those significant controls were properly designed and implemented.

Our audit procedures also included tests of documentary evidence supporting the Luxor Volunteer Firefighters' Relief Association's recorded financial transactions, tests of the physical

existence of inventories, interviews of selected officials and direct confirmation of the Luxor Volunteer Firefighters' Relief Association's cash, investments, and certain other assets and liabilities as of December 31, 2008, with the custodians of the funds, debtors, creditors, and financial institutions to the extent necessary to satisfy the audit objective. Additionally, we performed procedures to provide a reasonable assurance of detecting instances of violations of legal and regulatory requirements or violations of provisions of contracts that are significant within the context of the audit objective.

The results of our audit for the period January 1, 2007 to December 31, 2008, found, in all significant respects, the Luxor Volunteer Firefighters' Relief Association received and expended funds in compliance with applicable state laws, contracts, bylaws and administrative procedures, except as noted in the following finding discussed later in this report. The results of our tests indicated the Luxor Volunteer Firefighters' Relief Association expended funds as presented in the accompanying information and as of December 31, 2008, had a cash balance of \$28,245 and an investment balance with a fair value of \$17,758.

Finding – Unauthorized Expenditures

The contents of this report were discussed with the management of the Luxor Volunteer Firefighters' Relief Association and, where appropriate, their responses have been included in the report.

FINDING AND RECOMMENDATION

Finding – Unauthorized Expenditures

Condition: The relief association expended a total of \$13,687 for renovations and improvements to a fire company training facility that is not authorized by Act 84.

Criteria: Act 84 at 53 P.S. § 8506(e)(1 and 11) states:

The funds of any volunteer firefighters' relief association may be spent:

- (1) To pay for such normal and reasonable running expenses as may be appropriate to the businesslike conduct of its affairs including legal fees and including but not by way of limitation the rental or purchase of offices, the payment of reasonable compensation of any needed employees, and the purchase of office equipment and supplies.

- (11) To purchase safeguards for preserving life, health, and safety to volunteer firefighters, so as to ensure their availability to participate in the volunteer fire service.

Because the Department of the Auditor General is legislatively prohibited from giving pre-audit advice, an interagency agreement with the Department of Community and Economic Development (DCED) had been established whereby the DCED provided interpretation of Act 84 of 1968, the "Volunteer Firefighters' Relief Association Act." Remodeling and/or improvements to a fire company building have been determined by DCED to not qualify under Act 84; and thus, these expenditures are not authorized.

Cause: Relief association officials were unaware that the expenditures for the renovations and improvements to the fire company training facility were not authorized by Act 84.

Effect: As a result of these improper expenditures, relief association funds were not available for investment purposes or to pay for expenditures authorized by Act 84.

However, subsequent to the audit period, on September 22, 2009, the relief association received reimbursement of \$13,687 from the affiliated fire company for the building renovations to the fire company training facility.

Recommendation: We recommend the relief association officials become familiar with Act 84 at 53 P.S. § 8506(e) to aid them in determining the propriety of future expenditures. For further guidance, please refer to the Auditor General's publication, MANAGEMENT GUIDELINES FOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATIONS.
