Statement Of Monetary Assets Arising From Cash Transactions.....	5
Statement Of Cash Receipts, Disbursements, And Changes In Cash.....	6
Notes To Financial Statements.....	7
Report On Compliance And On Internal Control Over Financial Reporting.....	9
Report Distribution List.....	11

## BACKGROUND

This audit report is a public record, which must be available for examination by all interested citizens and volunteer firefighters' relief association (VFRA) members.

Pursuant to Article VIII, Section 10 of the Constitution of the Commonwealth of Pennsylvania, Section 403 of The Fiscal Code, Act of April 9, 1929, (P.L. 343, No. 176), and the Volunteer Firefighters' Relief Association Act, Act of June 11, 1968, (P.L. 149, No. 84), as amended, 53 P.S. § 8501 et seq. (commonly referred to as Act 84), the Department of the Auditor General's duty is to audit the accounts and records of every volunteer firefighters' relief association to determine that funds received under the Foreign Fire Insurance Tax Distribution Law, Act of December 18, 1984, (P.L. 1005, No. 205), as amended 53 P.S. § 895.701 et seq. (commonly referred to as Act 205), are properly expended.

This department conducts its audits of volunteer firefighters' relief associations in accordance with generally accepted auditing standards. Representations contained in the accompanying financial statements are the responsibility of the relief association's management. This department's responsibility for those statements is confined solely to an expression of our opinion as to the fairness of management's representation of the financial statements taken as a whole.

Act 84 requires that the relief association be governed in accordance with bylaws, which establish the association's operating procedures. Act 84 provides that the primary purpose of a relief association is to afford financial protection to volunteer firefighters against misfortunes suffered during fire service participation. To fulfill this purpose, Act 84 authorizes specific types of expenditures and outlines appropriate relief association investment options. Within the parameters established by Act 84, it is the responsibility of the volunteer firefighters' relief association to choose investments in a proper and prudent manner.

## **Independent Auditor's Report**

Mr. Robert A. Mannon, President  
CAPITOL VIEW VOLUNTEER  
FIREFIGHTERS' RELIEF ASSOCIATION  
Bucks County

We have audited the accompanying Statement Of Monetary Assets Arising From Cash Transactions as of June 11, 2005 and the related Statement Of Cash Receipts, Disbursements, And Changes In Cash of the Capitol View Volunteer Firefighters' Relief Association for the period January 1, 2002 to June 11, 2005. These financial statements are the responsibility of the relief association's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The Department of the Auditor General is mandated by state statute to calculate state aid provided to volunteer firefighters' relief associations and to audit volunteer firefighters' relief associations having received such aid. State aid is calculated by an administrative unit that is not involved in the audit process. The Department's Comptroller Office then pre-audits the calculation and submits requests to the Commonwealth's Treasury Department for the disbursement of state aid to the municipality. The Department has implemented procedures to ensure that Department audit personnel are not directly involved in the calculation and disbursement processes. The Department's mandatory responsibilities are being disclosed in accordance with *Government Auditing Standards*.

**Independent Auditor's Report** (Continued)

As described in Note 2, these financial statements were prepared on the basis of cash receipts and disbursements, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the monetary assets arising from cash transactions of the Capitol View Volunteer Firefighters' Relief Association as of June 11, 2005, and the cash receipts, disbursements, and changes in cash for the period January 1, 2002 to June 11, 2005, on the basis of accounting described in Note 2.

In accordance with *Government Auditing Standards*, we have also issued our report dated October 6, 2005, on our consideration of the Capitol View Volunteer Firefighters' Relief Association's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

October 6, 2005

JACK WAGNER  
Auditor General

CAPITOL VIEW VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
NOTES TO FINANCIAL STATEMENTS

1. NATURE OF ORGANIZATION

Pursuant to the Act of June 11, 1968, (P.L. 149, No. 84), as amended, the Capitol View Volunteer Firefighters' Relief Association is a charitable organization that was formed to afford financial protection to volunteer firefighters and to encourage individuals within the community to participate in volunteer fire service.

Act 84 governs the overall operation of the volunteer firefighters' relief association. The relief association's bylaws regulate the specific procedures by which the association assets are managed.

The Capitol View Volunteer Firefighters' Relief Association was affiliated with the Capitol View Fire Company.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- A. The relief association's records were maintained on a cash basis, and the statement of cash receipts and disbursements reflected only cash received and disbursed. Therefore, receivables and payables, long-lived assets, accrued income and expenses, and depreciation, which would have otherwise been recognized under accounting principles generally accepted in the United States of America (GAAP) and which may have been material in amount, were not recognized in the accompanying financial statements.
- B. Fixed assets were recognized as expenditures at the time of purchase, rather than being capitalized and depreciated over their estimated useful lives.
- C. The relief association did not adopt Statement of Financial Accounting Standard (SFAS) No. 117 since they do not follow GAAP.
- D. The nature of the relief association's monetary assets were considered to be unrestricted.

CAPITOL VIEW VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
NOTES TO FINANCIAL STATEMENTS

3. STATE AID

Chapter 7 of the Act of December 18, 1984, (P.L. 1005, No. 205), as amended, sets forth the computation of the Foreign Fire Insurance Tax Distribution paid to each applicable municipality throughout the Commonwealth of Pennsylvania. The amount of the distribution is based upon the population of each municipality and the market value of real estate within the municipality. Upon receipt of this distribution, the municipality must allocate the funds to the relief association of the fire department or departments, which is or are recognized as providing service to the municipality.

During the years 2002, 2003, and 2004, the Capitol View Volunteer Firefighters' Relief Association received state aid from the following municipalities:

Municipality	County
Lower Makefield Township	Bucks
Morrisville Borough	Bucks

4. RELIEF ASSOCIATION MERGER

In 2003, Union Fire Company No. 1 of Morrisville, PA merged with Capitol View Fire Company to form the Morrisville Fire Company. Respectively, the Union-Morrisville Volunteer Firefighters' Relief Association disbanded and merged with the Capitol View Volunteer Firefighter's Relief Association to form the Morrisville Volunteer Firefighters' Relief Association, a newly created relief association. As of June 11, 2005, all monetary assets (\$217,138 in cash, mutual funds and a certificate of deposit) were transferred to the accounts of the Morrisville Volunteer Firefighters' Relief Association.

5. RELATED PARTY SITUATIONS

A related party situation existed because the volunteer firefighters' relief association was affiliated with the fire service organization disclosed in Note 1. The relief association is a distinct separate legal entity that was established primarily for the purpose of affording financial protection to the volunteer firefighters against the consequences of misfortune suffered as a result of their participation in the fire service.

Another related party situation existed because certain officers of the relief association held offices in the fire service organization.

The relief association membership was aware of these situations and all transactions were approved by the relief association membership.

**Report On Compliance And On Internal Control Over Financial Reporting  
Based On An Audit Of Financial Statements Performed In Accordance With  
*Government Auditing Standards***

Mr. Robert A. Mannon, President  
CAPITOL VIEW VOLUNTEER FIREFIGHTERS'  
RELIEF ASSOCIATION  
Bucks County

We have audited the financial statements (cash basis) of the Capitol View Volunteer Firefighters' Relief Association as of June 11, 2005 and for the period January 1, 2002 to June 11, 2005, and have issued our report thereon dated October 6, 2005. We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America.

The Department of the Auditor General is mandated by state statute to calculate state aid provided to volunteer firefighters' relief associations and to audit volunteer firefighters' relief associations having received such aid. State aid is calculated by an administrative unit that is not involved in the audit process. The Department's Comptroller Office then pre-audits the calculation and submits requests to the Commonwealth's Treasury Department for the disbursement of state aid to the municipality. The Department has implemented procedures to ensure that Department audit personnel are not directly involved in the calculation and disbursement processes. The Department's mandatory responsibilities are being disclosed in accordance with *Government Auditing Standards*.

Compliance

As part of obtaining reasonable assurance about whether the Capitol View Volunteer Firefighters' Relief Association's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

**Report On Compliance And On Internal Control Over Financial Reporting  
Based On An Audit Of Financial Statements Performed In Accordance With  
*Government Auditing Standards* (Continued)**

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Capitol View Volunteer Firefighters' Relief Association's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by association officers in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

This report is intended solely for the information and use of the relief association's members and management, and the officials of the municipalities that grant the foreign fire insurance tax monies to the volunteer firefighters' relief association. It is not intended to be and should not be used by anyone other than these specified parties.

October 6, 2005

JACK WAGNER  
Auditor General

CAPITOL VIEW VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION  
REPORT DISTRIBUTION LIST

This report was initially distributed to the following:

The Honorable Edward G. Rendell  
Governor  
Commonwealth of Pennsylvania

Capitol View Volunteer Firefighters' Relief Association Officers:

Mr. Robert A. Mannon, President

Mr. Thomas J. DeShields, Secretary

Mr. Timothy Weiss, Treasurer

Reports were also distributed to each municipality, which allocated foreign fire insurance tax monies to this relief association.

Mr. Scott Fegley, Secretary  
Lower Makefield Township

Mr. George R. Mount III, Secretary  
Morrisville Borough

This report is a matter of public record. Copies of this report may be obtained from the Pennsylvania Department of the Auditor General, Office of Communications, 318 Finance Building, Harrisburg, PA 17120. If you have any questions regarding this report or any other matter, you may contact the Department of the Auditor General by accessing our website at [www.auditorgen.state.pa.us](http://www.auditorgen.state.pa.us).
